J.K PUBLIC SCHOOL
KUNJWANI
Inaugurated by
Smt Ram Pyari Dalupa
W/O Late Shri D.R. Dalupa
On
1st July 1992

Vision Realised

**Late Smt
Ram Pyari Daluja**

"Someone feels the rain, others just get wet"

These golden words are rightly dedicated to Late Smt Ram Pyari Daluja as a

sacred cause can never be espoused without the blessings of a pious soul.

Smt Ram Pyari Daluja was a lady with a mission and a vision. Serving the

humanity and community was in her blood. It was because of her desire of

imparting good knowledge to the children that the dream of JK Public School

came into reality. Now, the time has come to salute her intelligence, love and

compassion and rededicate ourselves to do our bit in lighting the lamp of

knowledge and wisdom. Today, the JK Educational Society elicits its strength

from this backdrop.

The Daluja Group is running two public schools and two colleges. The group has diversified business across the spectrum. The group publishes the bilingual newspaper, State Times , with a tag line 'Bold voice of J&K' , having 20 years of domain expertise in the print media and serve the people in the process. This is not only the first coloured newspaper of the state but also the first newspaper of the state being published from Delhi as well. The group runs, 'The Blue Moon' a banquet hall which boasts of the finest and most modern facilities in the entire North India. The group also trades and manufactures mineral water under the brand name 'Fit and Fine' besides fabrication of corrugated tanks.

ABOUT US

From The Chairman's Desk

"Not for a moment do I forget what a great responsibility is ours"

The above words of the great world leader ring out today with more intensity in the present situation than they did ever before. It is ironical that in this great nation of ours where we have made so much progress in numerous fields, the very foundation of progress, human resource development, that is education, has been neglected.

Complete neglect of the education system has given rise to a hydro headed monster that manifests in public and private institutions. Unless something drastic is done, parents will shudder, if they try to imagine the future of their children. To call it only dismay would be optimistic. Providing good education in schools is one way. But what is needed today is 'Education Plus' which implies something far beyond mere teaching of English, Mathematics and Science. We, the management and the staff at J.K. Public School, have committed ourselves to this great cause and have ensured that 'our actions speak louder than words'. I can boastfully say that we take interest in their growing up. We give them more attention, know them better, guide them through their years of awkwardness, indecision, helplessness and fear, and give them emotional security and plenty of love

...because J.K. Public School cares.

Raj Daluja

From the Director's Desk

J.K. Public School is a pioneer in revolutionizing the concept of education amongst private CBSE affiliated schools. The aim of the school is to provide holistic education to the students to enable them to achieve optimum success in their professional careers as also to make them good citizens so that they can contribute in the nation building. We endeavour to instill all the qualities of good human beings in our students.

No organization can depend on genius; the supply is always scarce and unreliable. It is the test of an organization to make ordinary human beings perform better than they are capable of, to bring out whatever strength there is in its members, and to use each man's strength to help all the others to perform. The purpose of an organization is to enable common men to do uncommon things. – Peter F Drucker.

J.K. Public School, Kunjwani strives to provide best possible infrastructure to students to develop and bring out the best in them. "Education is the manifestation of perfection already in a human being"- Swami Vivekananda. This is exactly what our synergized efforts aim to achieve. With this ardent aim of the management, our school stands tall and erect.

Brig. Sukhdev Singh

Why Us

- First private CBSE affiliated school in J&K
- Experience of 24 years Education
- Strong Alumni presence in society
- Best board results ever in North India
- Exposure to all games
- The only school to provide balanced diet to students
- First school to have own air conditioned and well equipped auditorium
- Experienced learning for global exposure (JK MUN)-a model of functioning in the United Nations
- Hosted National Sports Event First time ever in the state after Independence

The School

J.K. Public School is the first public school of Jammu, affiliated to CBSE, spread over a lavish 100 kanal picturesque landscape in Kunjwani. It is a reputed and well established institution with a glorious legacy of 24 years of holistic excellence and 2500 students on roll. The school offers a rich and innovative curriculum to the students from I to XII, apart from a separate world for the Toddlers. Class XI & XII are offered an array of streams i.e. Medical, Non-Medical & Commerce.

The success of our school is achieved by our ability to plan and teach courses that are tailored to the needs and abilities of all the students. We also believe that young people learn not only from what they are taught in the class but also from the way they are treated and by what they experience. At J.K. Public School we are committed to provide education that meets the needs of all abilities and at the same time create a caring environment built on honesty and respect for one another, and embrace all those who come in contact with the institute

Aims and Objectives

- To provide quality education as per the standard laid down by CBSE to produce 21st Century Learner.
- To provide the best possible human and physical resources to support learning and teaching.
- To develop questioning skill and encourage participation.
- To help develop international outlook and global vision.
- To facilitate fuller development of personality.
- To develop creativity and commitment amongst children.
- To enhance all round development of the children which is achieved by emphasizing on total personal interaction between every individual and teacher working together.
- To equip each JKlian with technology and promote scientific temperament amongst them.
- To inculcate patriotism and discipline amongst the students.
- To develop eternal moral values.

JK Public School – “School with a Difference”

The success of our school is achieved by our ability to plan and teach courses that are tailored to the needs and abilities of all the students. We also believe that young people learn not only from what they are taught in the class but also from the way they are treated and by what they experience. At J.K. Public School we are committed to provide education that meets the needs of all abilities and at the same time create a caring environment built on honesty and respect for one another, and embrace all those who come in contact with the institute

Where We Stand Out...

FACULTY

The School is lead by an extremely talented and experienced team of teachers from across the nation. Each one of our teachers has an innate passion, not just to teach but also to learn. Our teachers are skilled instructors-in knowledge, flexibility, commitment and motivational skill; they realize this passion by engaging with young people. Their flexible student centered approach facilitates learning in its truest sense. On regular basis workshops, seminars and training sessions are conducted for the faculty members to update them with the latest teaching techniques available across the globe. For individual attention of the students, the teacher – taught ratio is 1:12 especially at the pre-primary and primary level.

FACILITIES

In terms of infrastructure, JK Public School, Kunjwani is matchless in the whole state. No stone is left unturned to upgrade and update every facility.

LIBRARY

From Nursery to Grade 12 we encourage a love for reading. We believe that a book is a reader's passport to any place around the globe. The School has separate spacious libraries for pre-primary, primary and senior sections which can accommodate 80 students each at a time and house over 10,000 books catering to all tastes and ages.

LABORATORIES

Science

The School has well equipped spacious laboratories for Physics, Biology and Chemistry to develop the scientific temperament of the students where more than 45 students can work at a time.

Computer

JK Public School aims to provide holistic education to students which can redefine the learning experience and provide an efficient IT curriculum. The School has separate spacious IT labs for pre-primary, primary and senior sections which can accommodate 50 students each at a time.

Mathematics

In order to encourage the mathematical abilities, to enhance analytical and critical thinking of the students and to develop problem solving attitude amongst the students a mathematics lab has been setup as per the CBSE guidelines.

Oratory Skills (OS) Lab:

In addition to being the medium of instruction for dissemination of knowledge, English language has acquired great importance as a sure key to enter the lucrative global market. Young JKilians are privileged to be guided in all aspects of phonetic

MULTIPURPOSE AUDITORIUM

The School has an air-conditioned auditorium which can seat 1000 persons. It is well equipped with audio/visual facility which caters to all kinds of activities associated with the school. The children are given ample opportunities to perform on stage and gain confidence. Various programmes are conducted here to expose the children to our rich cultural heritage. Auditorium is a unique facility in the school which very few schools have.

AIR-CONDITIONED DINING HALL

The dining area is vast and spacious adequate to meet the requirement of the day boarding school. The dining hall is manned by a well qualified full time dietician. The kitchen is most hygienic and equipped with all modern amenities. JK Public School is the only school in Jammu to have this facility.

SMART CLASS

Modern day academic input demands practical approach. Subject teaching thus must reach as close as to life as possible within a given class room environment. This can be achieved with the help of Smart Classes only. Thus the hi-tech interactive digital classrooms in the school give the students an edge over others thereby helping them in learning.

ACTIVITY ROOMS

Activity room is a place where the joy of learning is not taught but experienced. Every student is unique in his/her own way. JKPS has separate well equipped spacious activity rooms for pre-primary, primary and senior sections which can accommodate 80 students each at a time.

ART AND CRAFT

The school has very beautiful, colourful and spacious separate art and craft rooms for juniors and seniors where students learn drawing, painting and sketching.

BEYOND THE FOUR WALLS EDUCATIONAL TOURS

Visits and field trips are an integral part of the school curriculum and are organized to expose the students to different aspects of nature and history as also to boost their observation skills.

MEDICAL ROOM

The School has a well equipped medical room with paramedics on duty. Health records are maintained for each and every student. Annual checkups by visiting dentist, eye specialist and ENT specialist are a part of the medical calendar.

COUNSELING

The School has a provision for counseling and guidance manned by an able child psychologist. Children are helped to develop latent abilities and improve their learning skills. Special counseling sessions for Toddlers' and Girls are conducted to make them aware and deal with the future societal challenges. The parents and teachers too are counseled and advised to look into the physiological and other problems of their children by the school counselor.

CAREER COUNSELING

Our Counselor helps every student to explore possibilities-ones that go in tandem with their respective skills and abilities. It not only exposes them to a wide range of opportunities but also helps them choose the right career option. The Counselor provides time, support, attention, skill and structure that enable the students to become more aware of their resources.

SCHOOL TRANSPORT

An ideal transport system reflects the perfect work culture and ethos of the school". Transport facility for picking and dropping the students nearest to their homes on specified routes is available. The students in the buses are accompanied by teachers and attendants to ensure their safety. The transport in JK Public School is rated high on attributes like amenities, comfort, convenient routes, experienced staff and reasonable fares. Each bus is well equipped with water campers, medical kits and fire extinguishers. One phone on each route has been provided to every route in-charge for the convenience of the parent.

**Where the voice of
talent is made to sing
out loud**

MUSIC AND DANCE

JK Public School believes that every child has a musical side and it is best to bring it out. Music and dance, excellent stress busters, lifting one's mood instantly are part of the regular curriculum of the school. The objective is to encourage participation in cultural activities.

SCHOLARSHIP

We believe in rewarding the hard work and excellence achieved by meritorious students in their academic endeavour. Students who achieve CGPA 10 in Class X board exam, above 90% in Class XI examination and above 85% in the first pre-board of Class XII are awarded laptop computers.

SPORTS FACILITIES

Swimming
Volleyball
Skating
Athletics

Basketball
Cricket
Badminton

INDOOR RECREATION

Chess
Judo
Table Tennis
Aerobics
Gymnastics

Carrom
Karate
Yoga
Taekwondo

SWIMMING

A standard sized indoor swimming pool exists and swimming forms an integral part of the curriculum. It has water slides and a mini pool for toddlers. It is being/has been upgraded to a completely covered swimming pool making JK Public School the first to have such a facility. Hygiene of the pool is ensured by modern water treatment and cleaning plant. We have full time male and female expert coaches.

HOUSE SYSTEM

To inculcate the managerial skills and leadership qualities, the students have been divided into four houses:

Bal Gangadhar Tilak House

Is associated with Red colour which represents achievements and performance.

Rabindranath Tagore House

Is identified with Green colour, stands for youth, nature and vitality.

Bhagat Singh House

Is personified by Blue colour, exhibits prosperity and progress

Radhakrishnan House

Is symbolized by Yellow colour, depicts peace and harmony.

LANGUAGES

Learning languages at School Enhances the Learning Process

URDU

We take the proud privilege of boasting of being the first school in Jammu with Urdu as the main language till secondary level. The language has been introduced right from Class II.

SANSKRIT

In addition to Urdu, provision has also been made for the students to opt for a third language which is Sanskrit. The management, being sensitive to the needs of the language, has provided an option for the most convenient computer software programming language.

REGISTRATION AND ADMISSION

Students seeking admission to JK Public School will be registered in the month of January. Admission test and interviews will be conducted for the same. Admission will be granted purely on merit depending on the number of seats available. Special concessional admission is undertaken for Toddlers during Navratras. The minimum age of admission for Pre-Nursery, Nursery, L.K.G and U.K.G is 2+, 3+, 4+ and 5+ respectively.

TODDLERS' WORLD

The initial years of education play a vital role in shaping the future of an individual. Toddlers' World-a unit of JK Public School provides ample opportunities for children to expose and broaden their experiences thereby helping them to cope with an array of situations. The basics of our Toddlers' Wing are the skills like- cognitive skills, gross motor skills, language skills and social skills. The sole objective of creating joyful learning through these activities is to encourage our Toddlers' to make their choices independently and responsibly, grasp information, develop ideas and create a wonderful world of colours.

SPECIAL FEATURES OF TODDLERS' WING

- Fully Air-conditioned building
- Fully Air-conditioned transport and dropping facility right up to the doorstep
- Well equipped activity and toy room
- Automated toy trains for joyous rides
- Extensive playing area
- Extracurricular activities- Yoga, Karate, Dance Music, Mini pool, Water Slides and Splash pool
- Fortnightly field trips and excursions
- Provision of hygienic wholesome and nutritious food monitored by a full time dietician
- Counseling facility
- Elevator provided for movement of students to different floors

CHILDREN'S PARK

The park has slides, swings, toy train, see-saw, jumping pits and beautiful flower beds.

PRIMARY WING

The primary stage of education is immensely important for every child, as it is here that the foundation of literacy, numeric reflection and thinking skills is laid for the future. At JK Public School we aim to nurture skilled, confident children who are enquirers both within the classroom and in the world beyond and this we perform, by addressing every facet of their existence-social, physical, emotional, cultural and spiritual – in addition to academics.

Learning is an ongoing process and our primary curriculum lays emphasis on this through its innovative assessment and recognition of continuous efforts rather than examination only. Our primary curriculum has been devised keeping in mind the different aptitudes of students, which is why we at JK Public School employ the multiple intelligence approach as we believe that every student is unique in his/her own way.

MIDDLE, SECONDARY AND SENIOR SECONDARY WING

The Middle and the Senior School curriculum is built on the structured student centered and enquiry based foundation laid in the Primary School. The curriculum content is closely based on the essentials of Secondary and the Senior Secondary level. The Middle and Senior curriculum is approached through enquiry, developing the knowledge of the students into an exciting journey to acquire even more relevant knowledge stimulating their latent curiosity and sharpen the skills of research, expression, presentation and application.

At JK Public School we prepare the students to face competitive exams through well knitted aptitude, mental ability, proficiency tests, Olympiads and talent research exams. Academic tasks are more result oriented, designed and well executed with guidance.

The curriculum includes a healthy mix of theoretical and practical knowledge that helps the students to excel in board exams.

HUMANITY PROGRAMME (COMMUNITY SERVICE)

Orphans and old aged homes have been adopted by the school. The Chairman has undertaken to prove true to his sole commitment to impart free and high quality education to orphan kids. It is a humble effort to contribute to a laudable project of a benevolent gesture. Books, clothes and other things of utility are donated to the under privileged children and old age homes time and again.

The students of the School have also come forward in a big way to present utility items as gifts to the inmates of old age home, the blind school and the orphanage.

PROUD ALUMNI

The School aims not only to prepare our students for examinations but also to provide them with the skills needed to succeed and thrive in the wider world. The high achievements of alumni across such a wide spectrum of careers, we believe, reflects the well-rounded education on offer and demonstrates how we help to develop each pupil's individual talents and strengths. Amongst the School's alumni are those with outstanding careers in the arts, academia, sports, the media, the Armed Forces, retail, politics, Civil Services and flourishing in many other esteemed sectors.

There are close links in place with our School alumni and opportunities for them to keep in touch with the School and one another. Attendance of alumni at school events and their number who are now themselves parents bears testimony to the deep and lasting attachment forged between the School and the pupils, past and present.

FUTURE READY SCHOOL- ONLINE INFORMATION SYSTEM

Technology enhances the communication channels at JK Public School. Taking this into consideration the School has set up an Online Information System. This system enables parents to access information related to fee collection, transport, examination, academic information, attendance and SMS alerts. Our real online information system is fully computerized, thus enabling parents to track children's performance online. The various modules included in the online information system are:

- Online Admission and Registration Information
- Online Students Information System
- Online Fee collection and Transport Route Management
- Online Examination and Result Preparation
- Online Attendance Management (students)
- Online Staff Information System
- Online Library Management System
- Online School/Web Portal
- SMS Alert Integration
- Online Payment Gateway
- Online Mobile Apps
